

Featured Speaker:

Jon Halar

Senior Systems Engineer, Arctic Wolf

Jon Halar is a seasoned Sales Engineer for Arctic Wolf, bringing a wealth of expertise in cybersecurity solutions to the table. With a passion for excellence, Jon holds a Masters degree and boasts several industry certifications in Fortinet and Cisco, which have honed his technical acumen and fortified his skills in crafting tailored security solutions for clients.

Throughout his career, Jon has been instrumental in implementing cutting-edge security measures, safeguarding sensitive data, and mitigating cyber threats for a diverse range of organizations. His commitment to providing exceptional customer service and his ability to understand clients' unique needs have earned him a reputation as a reliable and trusted advisor in the industry.

Driven by innovation and a deep understanding of the ever-evolving cybersecurity landscape, Jon continues to stay ahead of the curve, exploring emerging technologies and staying up-to-date with the latest trends. With a focus on building lasting partnerships, he thrives on guiding clients towards robust, scalable, and future-proof security solutions that align with their specific business objectives.
