

Graham is UK and Ireland Sales Director at global cyber security firm, [Arctic Wolf](#), worth \$4.3bn with over 10,000 customers worldwide. He has more than 25 years of experience in roles at companies including NetApp, Data Domain, EMC, Nimble Storage, HPE and Databricks. Graham was the first Account Executive in EMEA at Arctic Wolf to expand into the region over 4 years ago. He has since collaborated to expand Arctic Wolf into new territories and teams across the UK and Ireland.

Graham has a keen interest in the legal vertical, having worked in this market for over 20 years, most recently helping many firms of all sizes defend themselves against cyber risk.
